Re: Proposed revision of lead paint abatement plan for VBI70

Dear Mr. Ketellapper,

On behalf of Council District 8, I wish to submit this letter for support of your lead paint abatement plan.

I met recently with Anthony Thomas with Clayton Neighbors who has worked very diligently with you to mitigate lead paint in housing in our community. I also support his efforts to work with you on this very important initiative.

Sincerely,

Councilwoman Elbra Wedgeworth
President, Denver City Council
District 8
